Message from the District Deputy Grand Master of North Huron District

It is an honour and privilege to serve North Huron District as your District Deputy Grand Master.

I look forward to the many travels and visitations we will share together this year. It will be elating to see our brethren take part in the events of our District and I encourage you to do so.

One of the highlights of this year will be our Grand Master's Reception on Friday, October 28, 2016, in Kincardine. I invite all members of the District to enjoy the friendship and fellowship of this special occasion.

Our District will also be hosting the District Bonspiel and Divine Service in the spring. These events have been a continued success, strengthening the comradery among the District.

A special thank you to all the brethren who have newly joined, or continued as the Chair of our District committees. I look forward to working with our strong team to strengthen our District and I encourage the brethren to draw from their experience and skill. Together we can improve our lodges and ourselves.

I have chosen Project Hope as our District Charity this year. Prostate cancer is the most common cancer among Canadian men and has affected many of our brethren. The Masonic Foundation of Ontario has set a goal of raising \$1 million over two years.

Throughout your Masonic journey, reflect on the many visitors that have sat in your lodge and shared your company, making the night more enjoyable. You bring the same enjoyment to others with every visit.

Sincerely and fraternally,
R. W. Bro. Keith P Heydon
